Ultra Concentrated

EVO Pre Red Light Micro Mist Spray

For Face & Body / Step 1

This lightweight, fast absorbing Micro Mist helps prepare skin for Red Light exposure and is pH balanced to promote optimal benefits.

Key Ingredients & Benefits:
- Aloe Vera is rich in Vitamins, Minerals, Amino Acids, Enzymes, Polysaccharides and Fatty Acids which work together to help replenish moisture, soothe and soften skin.
- Sodium Hyaluronate or Hyaluronic Acid (ha) is a natural humectant that delivers deep hydration and helps strengthen the skin barrier. HA is also known for its soothing properties, helps reduce the appearance of fine lines and wrinkles, and is Non-Comedogenic to be suitable for all skin types.
- Vitamin C (Ascorbic Acid) is a powerful antioxidant that helps neutralize free radicals to protect the skin from environmental stressors and oxidative damage. This helps prevent signs of premature aging, such as fine lines, dullness, and uneven skin tone.
- ProVitamins B5(Panthenol) and Vitamin E(Tocopheryl Acetate) help improve skin texture and enhances skin elasticity.
